

Dear Valued Customer,

At Parker, we constantly strive to provide our customers with exceptional value and service at all times. The lease on our Kansas City store has not been renewed and we will be closing/moving our existing Kansas City store on December 31, 2009. We do, however, want to continue to offer the great service and quality merchandise our customers deserve as we evaluate how to best serve your school and families. Therefore, until a more permanent solution is available, all of your school's uniforms will continue to be available on-line at www.parkersu.com or by phone beginning January 2nd.

In order to make this transition seamless, we will be offering **free shipping** on all on-line and phone orders. In-stock items will generally carry only a 2-day delivery time via UPS to your home.

Parker will also be partnering with your school to offer delivery services and/or on-site uniform sales at your school. We are hopeful that a new store location can be found to service the Kansas City area before the busy back to school season.

Our business telephone numbers will remain the same. You can reach our Kansas City account representative, Nancy Rasmussen at 913-649-6300 or by Fax at 913-649-4436.

We look forward continuing the relationships we have developed with you over the years and hope you will continue to enjoy the benefits of Parker School Uniforms.

Sincerely,
Laura McEvoy
National Coordinator
Parker School Uniforms
