

How to Write a Review on Niche

Niche is the market leader in connecting colleges and **schools** with students and families. With in-depth profiles on every **school** and college in America, over 140 million reviews and ratings, and powerful search and data tools, **Niche** helps millions of students and families find and enroll in the right **school** for them.

Niche posts thousands of positive and critical reviews written by our community. Writing a review is easy and only involves a few steps! Below you will be guided through the review process.

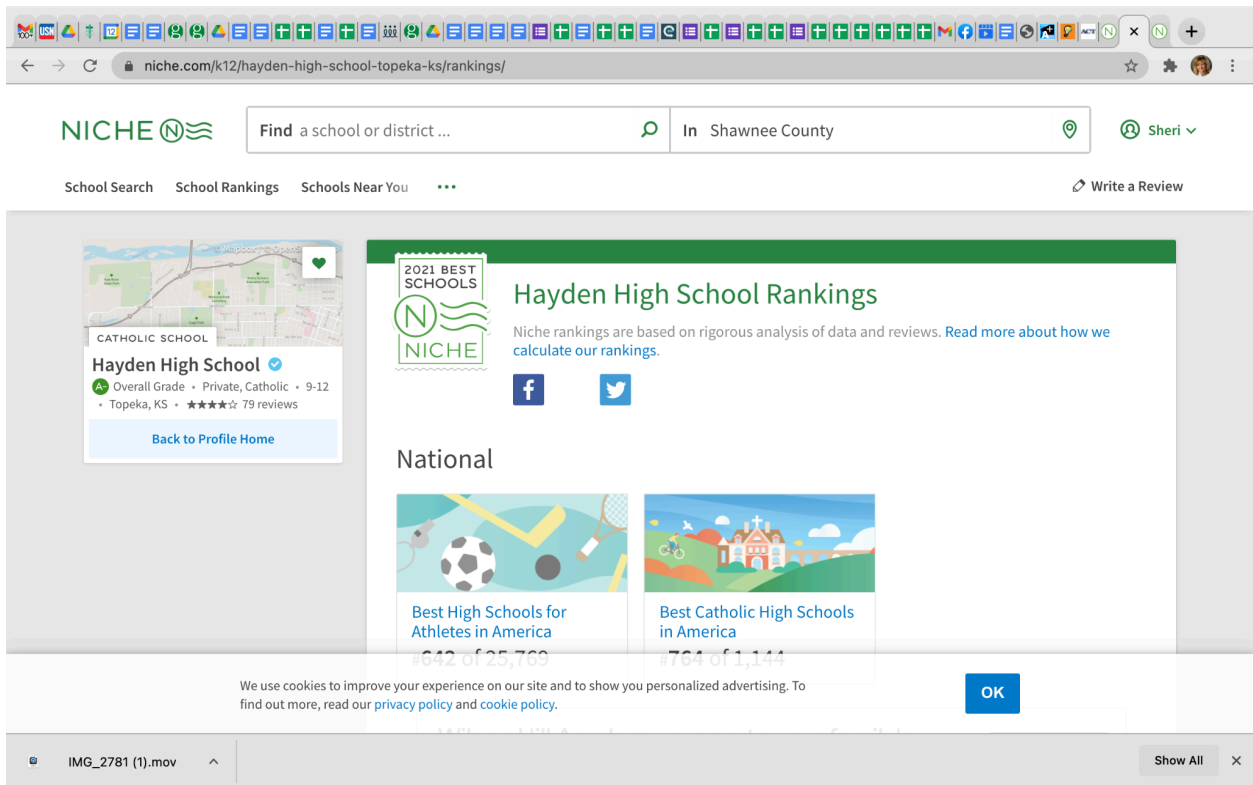

From Your Desktop

1. Go to <https://www.niche.com/>

The screenshot shows the Niche website homepage in a browser window. The browser's address bar displays "niche.com". The website's navigation menu includes "K-12", "Colleges", "Graduate Schools", "Scholarships", "Places to Live", and "Places to Work". A user profile for "Sheri" is visible in the top right corner. The main content area features a large image of a person with an orange backpack and a search bar with the text "FIND THE SCHOOL THAT FITS YOU BEST". Below the search bar, there are tabs for "K-12", "Colleges", "Graduate Schools", and "Places to Live". The search bar contains the text "Enter a school or district ..." and a search icon. Below the search bar, there is a dropdown menu for "Search by" with "state" selected. A cookie consent banner is visible at the bottom of the page, with an "OK" button. The browser's taskbar at the bottom shows a file named "IMG_2781 (1).mov" and a "Show All" button.

2. Create a Niche account: You can create an account by going to Niche and clicking on the “Sign Up” option in the upper right corner of the screen. *(NOTE I already have an account which is why you don’t see the “sign up” option.)*. You will then have the option to sign up using your email address or through your Gmail or Facebook account.
3. You will then be taken through the registration process where you will provide some information that will be associated with your Niche account.
4. Once you have finished registration, you can go to the Niche school search page or school profile and select the “Write a Review” option near the top right of the page underneath the location search bar.

5. You will then be able to select the type of school or place you are reviewing and will be able to search for the name.
6. Make sure your review is between 100 and 1,000 characters and click “submit” when you are finished writing your review

From The Phone App

1. Create a Niche account: You will be prompted to create a Niche account after downloading and opening the Niche App. You will then have the option to sign up using your email address or through your Gmail or Facebook account.
2. You will then be taken to the registration process where you will provide some information that will be associated with your Niche account.
3. Once you have finished registration, you can click to expand the side menu and you will select the “Review Your School” option.
4. You will then be able to select the type of school or place you are reviewing and will be able to search for the name.
5. Make sure your review is between 100 and 1,000 characters and click “submit” when you are finished writing your review

Once a review is submitted it can take up to 48 hours to be published to the profile. Some reviews are selected to be checked by our team to be sure they follow [Niche's Content Guidelines](#) before being posted to the platform.

Things to consider

1. Do not do a cut and paste and place the same review on each platform as it will not appear organic.
2. Do not write a review on several platforms at once. It is suggested that you wait several months. This is why we have you sign up for the dates you will write a review.
3. If appropriate, add the Hashtag - #CatholicEducationMatters
